NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

Project Title: Cemetery Memorial Park Signs and Improvements

Project Location: Cemetery Memorial Park on the northwest corner of Main and Aliso Streets, City of Ventura, County of Ventura

Assessor's Parcel No.: 073-0-062-240, 073-0-062-250, 073-3-062-080

Project Applicant: City of Ventura
Engineering Division
501 Poli St. Rm. 120, P.O. Box 99
Ventura, CA 93002-0099

Project Contact: Lucho Rodriguez, Senior Civil Engineer, (805) 654-7742

Project Description: The proposed project consists of the installation of four to six signs at key locations at the park. The signs include the park name and information about the site. Improvements are proposed around the existing flag area including a small memorial wall, concrete bench, landscaping and possibly lighting. Landscape improvements are also included around the access stairs to the park on Main Street, including tree removal. Repairs to the rock wall and stairs on Main Street include crack repair and replacement of the few missing river stones on the wall. Lastly, the deteriorated chain link fence at the parking lot is to be removed.

The City of Ventura has performed a comprehensive evaluation of the potential impacts for this project in accordance with the State CEQA Guidelines and has determined that there is no substantial evidence the proposed project may have a significant effect on the environment. This Notice is to advise interested individuals that the City of Ventura intends to adopt a Mitigated Negative Declaration for the project identified above.

A 20-day public review period for the proposed Mitigated Negative Declaration will be held from May 10, 2011 through May 31, 2011. The document is available for public

review at the City of Ventura, Engineering Division, Room 120, 501 Poli Street, Ventura, CA 93001.

A properly noticed public hearing, to be determined at a later date, will take place before the City Council to receive comments on the document and to adopt the Draft Initial Study/Mitigated Negative Declaration. This meeting will be separately noticed when the date and time are set.

Public input on these matters is encouraged, however, all public comments must be focused on the project's environmental effects only and whether they have been adequately addressed in the Draft Initial Study/Mitigated Negative Declaration. If you challenge the action taken on the project description in this notice in court, you may be limited to raising only those issues that were raised at the public hearing described in this notice, or in written correspondence delivered to the above at/or prior to the public hearing.
