PREAMBLE

This Memorandum of Understanding is between the City of San Buenaventura, California (hereinafter "City") and the duly authorized representatives of the Service Employees International Union, Local 721. Its purpose is to promote harmonious relations between the City, the Union, and the unit employees by setting forth the understanding of the parties reached as a result of meeting and conferring in good faith regarding the wages, hours and certain other terms and conditions of employment of regular employees in the classifications comprising the "Non-Supervisory Clerical, Technical, Para-professional, Inspector, and Civilian Public Safety Employees-'G' Unit" (hereinafter 'G' Unit).

ARTICLE 1 - RATIFICATION

It is agreed that this Memorandum of Understanding is of no force and effect until ratified by the Union members and approved and implemented by the City Council of the City.

ARTICLE 2 - FORMAL RECOGNITION

SEIU Local 721 is hereby recognized as the formally-recognized employee organization for those regular full-time and regular part-time employees occupying the job classifications in Schedule "G" of the Salary Resolution.

ARTICLE 3 - RIGHTS

- A. The Union recognizes that the City has and will continue to retain, whether exercised or not, the unilateral and exclusive right to operate, administer and manage municipal services and work force performing those services in all respects, subject to this Memorandum.
- B. The City Manager and appropriate Department Head have and will continue to retain exclusive decision-making authority over matters within their jurisdiction that are not lawfully and expressly modified by specific provisions of this Memorandum.
- C. The exclusive rights of the City shall include, but not be limited to, the right to determine the organization of City government and the purpose and mission of its constituent departments, to set standards of services to be offered to the

public, and, through its management officials, to exercise control and discretion over its organization and operations, to establish and effect administrative regulations and employment rules and regulations consistent with law and the specific provisions of this Memorandum, to direct its employees, to take disciplinary action for proper cause consistent with legal requirements, to relieve its employees from duty because of lack of work or for other legitimate reasons in accordance with applicable City procedures, to determine whether goods or services shall be made, purchased or contracted for, to determine the methods, means and personnel by which the City's services are to be provided, including the right to schedule and assign work and overtime, and to otherwise act in the interest of efficient service to the community.

ARTICLE 4 - PROBATIONARY PERIOD AND MERIT INCREASES

The initial probationary period for all new hires shall be equivalent to twelve (12) months of service. For classifications designated as Flexibly Staffed, once the initial probationary period has been completed, there shall be no additional probationary period for advancement to a higher level of a designated flexibly-staffed classification. (See Attachment A for a listing of classifications).

Probationary employees shall receive two (2) evaluations during their initial probationary period; at three (3) and at six (6) months from the commencement of the initial probationary period and they shall be issued within 30 days of those dates. Except as set forth in this Article, the Personnel Rules and Regulations shall govern the probationary period.

A. Merit Increases – Non-Flexibly Staffed Classifications

An employee in a non-flexibly staffed classification is eligible for a merit increase after 6 months of service in the classification and is eligible for additional merit increases 12 months following receipt of a merit increase. B. Merit Increases – Flexibly Staffed Classifications

An employee in a flexibly staffed classification is eligible for a merit increase after 6 months in the entry-level classification. At the end of the twelve (12) month probationary period, if the employee passes probation, the employee will either be advanced to the next level (at a step which provides an increase of approximately 5%) or receive a merit increase to the next step within the existing classification. An employee is eligible for additional merit increases 12 months following flexibly staffed advancement or receipt of a merit increase, and annually thereafter.

The employee's insurance designation at the time of hire, or annually during open enrollment, will remain in effect during the plan year. All employees will be required to re-elect their medical and dental plan enrollments, and certify eligible dependents via the City's benefit website during the City's annual open enrollment period. - A. Medical-Dental. The City shall contribute semi-monthly per unit member up to the designated amounts listed in the chart below for the City's group medical and dental insurance coverage. The exact amount of the City contribution per member will depend on the insurance coverage selected by the employee and whether dependent coverage is selected by the individual employee under the medical insurance plan. - B. Optional Benefit. The City shall contribute \$234.50 semi-monthly (\$469/mo.) per employee as part of an optional benefit program. Any amount accrued and not used to cover insurance premium costs shall be paid as cash (except as indicated in the paragraph below) on a semi-monthly basis (24 pay periods/year). This cash benefit shall not be subject to retirement withholding, nor shall it be used in retirement calculations.

Employees hired after the date of the adoption of this MOU, who elect to waive the City's medical insurance coverage by providing the City with proof of alternate group insurance coverage, shall not be eligible to receive a cash payment of unused optional benefit dollars.

The City has established a city-wide Health Insurance Advisory Committee. Each of the City's stakeholder groups participate. Each year SEIU will designate one representative for each of its four recognized bargaining units to serve on the Committee. Human Resources staff will serve on the Committee and provide assistance. The Committee will meet as needed, generally once per month throughout the year, twice per month from June through September. Each of the stakeholder groups will have one vote. The Committee will make recommendations to the City regarding health care providers, premiums, plan design and other related matters.

The City may reopen the issue of medical insurance if there is a reasonable basis to conclude that the City may be subjected to penalties under the Affordable Care Act.

ARTICLE 10 - VISION PLAN

The City agrees to provide vision insurance for employees and dependents.

ARTICLE 11 - LIFE INSURANCE

ARTICLE 12 - OPTIONAL BENEFIT PROGRAM

(This article has been incorporated into Article 9)

No City contribution is made toward the cost of this plan. Further terms and conditions of the plan are set forth in the agreement between the City and the City's designated plan administrator. During the term of this MOU the Union may reopen the provisions of this Article. Any agreement reached shall not result in any additional City costs.

With prior approval of his/her supervisor, an employee eligible for paid overtime under the provisions of this section, may request the accumulation of compensatory time off, in lieu of paid overtime, at the rate of one and one-half hours of compensatory time off for each hour worked in excess of the regular scheduled hours in one day or in excess of forty (40) hours during the employee's designated workweek. No employee shall be allowed to accumulate more than sixty (60) hours of compensatory time to be taken off. Accumulated compensatory time off may be taken off by an employee with prior approval from his/her supervisor or manager. Accumulated compensatory time of sixty (60) or less hours not taken off shall be paid out at the end of the calendar year or upon termination of employment, whichever is sooner.

- A. Unit members, except civilian members of the Police Department, who are required by their Department to be on standby for emergency work during normal off duty hours shall be paid \$30.00 per day for each 24 hour day

they are on standby. On any day that the employee is not required to work, such as days off and holidays, the employee shall be paid standby for 24 hours for each 24 hours required to be on standby. Persons designated by the City to be on standby for less than a 24 hour period shall be paid pro-rata for the time designated as standby. Employees who refuse or fail to respond to calls while assigned to standby shall not receive standby pay for that shift and may be subject to discipline.

- B. The City agrees to provide, in accordance with City policy and procedure, laptops, pagers and/or cell phones to employees as deemed necessary by management for business use when required by their department to be on standby. It is further agreed that any employee called to respond while on standby shall do so within a 45-minute period. The intent is to allow a response time, in the case of emergency callouts, of 45 minutes from the individual's residence to their primary worksite.
- C. Civilian employees in the Police Department who are required by their Department to be on standby for a required court attendance for City business during off-duty hours shall, when they are not so called out, but required to be on standby, be compensated as follows:

 - 2. \$35.00 for those days specified as "off-duty" days reflected on the department duty schedule, including pre-scheduled holidays, compensatory time and Annual Leave time.
 - 3. Employees who refuse or fail to respond to calls shall not receive standby pay for that shift.

14.4 CALLBACK PAY

Unit employees called back to work during an off-duty period shall be compensated at the overtime rate as follows:

- A. Called between 6:00am and 11:00pm
 - 1. Two hours or time worked, whichever is longer, if employee returns to City designated worksite or job location, otherwise
 - 2. 15 minutes or time worked, whichever is longer.

- B. Unit employees who are regularly assigned to work a night shift (at least 50% of the scheduled work hours occurring between 11:01 p.m. and 6:59 a.m.) shall be paid an additional 5% above base pay for all hours worked during that shift.

A member of the unit assigned to a higher classification on a temporary basis to fill a vacancy, caused by sick leave or other approved leave of absence shall be paid at a rate that is at least five percent (5%) higher (assuming the higher class is at least 5% above the original class) than the salary the individual was receiving before the assignment (but in no event higher than the top step of the higher range) from the first day, provided the employee has been assigned for at least eighty (80) consecutive work hours, inclusive of holidays.

Employees shall continue to accrue and have recorded general or normal salary step increases for the employee's regular position. However, such salary increases will be paid only to maintain a minimum five percent (5%) differential above the salary to which an employee is entitled in his/her regular position. Acting appointments (out-of-class pay) may not be extended for a period greater than ninety (90) days without special approval of the City Manager or his/her designated representative and in no case for a period in excess of 365 days without City Council approval, unless the acting appointee is replacing an employee on approved industrial leave.

Unit employees who are called in and work four (4) hours or more before a shift, or who are held over to work for four (4) hours or more after a shift are eligible to receive a meal. Normally the meal will be provided by having food delivered to the worksite. At the discretion of the worksite supervisor, employees may be released from the worksite to eat. When released to eat away from the worksite, the employee is entitled to reimbursement for the actual receipt amount of the meal or the amount listed for meal reimbursement in the current City Administrative Regulation, whichever is less. Release time for meals away from the worksite shall not be counted as work time.

ARTICLE 15- LEAVE TIME POLICIES & PLANS

15.1 SHORT-TERM / LONG-TERM DISABILITY PLAN

- A. The City agrees to provide a Short-Term/Long-Term Disability Plan for all eligible employees in the 'G' Unit. Coverage will be commensurate with the plan in effect at the time of approval of this Memorandum of Understanding, consistent with the plan available to other eligible employee groups, and subject to the provisions and limitations of the carrier.
- B. 100% of the premium cost will be paid by the City for the term of this Memorandum of Understanding.

15.2 SICK LEAVE

- A. Effective by no later than the pay period starting November 20, 2004, the City and the General Unit agree to eliminate sick leave accruals to implement a program of Annual Leave. Employees will retain their existing sick leave balances as of the pay period effective prior to the conversion, and such accruals may be used or paid out according to the MOU and applicable sections of the City's Personnel Rules and Regulations.
- B. Sick Leave Accrual. The maximum accrual, prior to the implementation of annual leave was 480 hours except for employees hired on or before August 1, 1977 who were eligible to accrue up to a maximum of 1,440 hours.
- C. Sick Leave Payout. Unit employees shall, after ten (10) years of continuous City service, be eligible to receive an amount equivalent to 25% of their accrued sick leave upon resignation or retirement from employment or in the case of death payable to the employee's

beneficiary. No payment shall be made to an employee who is discharged for cause.

15.3 ANNUAL LEAVE

- A. Annual Leave. Annual leave with pay shall be used for vacation, illnesses and other personal reasons. New employees may take annual leave during the initial probationary period; however, manager and supervisor approval for the use of such time, shall take into consideration the need to adequately evaluate a probationary employee's work performance. Thereafter, employees are encouraged to use annual leave time yearly.
- B. Annual Leave Advance to New Hires. Upon hire, new full-time General Unit employees shall be granted 30 hours of annual leave. Such employees shall begin accumulating annual leave upon hire; however, if such employment is terminated during the first six months of employment, annual leave accumulations shall be adjusted to the actual amount that would have accumulated at the rate of 4.83 hours semi-monthly. If such employee's use of annual leave during the term of employment exceeds the adjusted accumulation amount, then the excess amount will be deducted from the final paycheck, but only to the extent that there is sufficient money remaining in the final paycheck to pay the employee minimum wage for the hours worked during the final payroll period. If the deduction from the final paycheck is insufficient to cover the amount owed, the employee shall refund to the City an amount equal to the excess of hours used.
- C. Accrual Rates. Annual leave shall be accrued in hourly amounts according to the following schedule:

<u>Years of Service</u>	<u>Hours Earned Semi-Monthly</u>	<u>Maximum Accrual</u>	<u>Annual Equivalent</u>
Less than 3	4.83 Hours	240 hours	14.5 days
3 but less than 5	5.50 Hours	240 hours	16.5 days
5 but less than 7	5.83 Hours	240 hours	17.5 days
7 but less than 10	6.17 Hours	240 hours	18.5 days
10 but less than 13	6.50 Hours	360 hours	19.5 days
13 but less than 15	7.50 Hours	360 hours	22.5days
15 or more	8.17 Hours	360 hours	24.5 days

Annual leave time is earned according to consecutive months of full-time service beginning with the employee's initial employment date. The employment date for annual leave purposes will not change except when a new employment date is assigned as in the case of a reinstatement.

- D. Use of Annual Leave for Illness or Injury. Usage of annual leave for illness or injury shall be in compliance with the applicable sections of the City's Personnel Rules and Regulations related to Sick Leave.
- E. Annual Leave Cash-out. After seven (7) years of continuous City service in a regular appointment, and upon using (40) hours of annual leave during the prior 12 months (first pay period with a pay date in November through the last pay period with a pay date in October), a full-time employee may request to cash out up to forty (40) hours of accrued annual leave at the current hourly rate of pay. A request for annual leave cash-out must be submitted no later than November 15 of each calendar year. Payment will be deposited into eligible employee accounts on or about December 10 of each year. An employee must have a minimum of eighty (80) hours of accrued annual leave remaining in his/her bank after the payment has been made, in order for the request to be processed. Part-time employees who are eligible to receive accrued annual leave may cash out annual leave on a pro-rated basis.
- F. Annual Leave Payout. Employees shall be compensated for each hour of annual leave accrued at the time of termination at an hourly rate equivalent to the hourly rate being earned at the time of termination. If a partial month's service is involved at the time of termination, each employee will receive credit for accrued annual leave for that partial month based on the number of days worked in the month and the rate at which the employee is accruing annual leave at the time of termination.

15.4 HOLIDAYS

A. Holiday Leave Accruals

Unit employees shall be granted nine (9) hours of holiday leave for the ten (10) holidays listed below. For unit employees regularly scheduled to work less than nine hours, any additional holiday hours not used on the holiday will be added to that employee's Optional Holiday Bank. ARTICLE 22 – SEPARATION FROM EMPLOYMENT & LAYOFF PROCEDURE

A. RESIGNATION

An employee wishing to leave the Personnel Merit System in good standing shall file with the appointing authority, a written resignation stating the effective date and reasons for leaving at least two weeks before leaving the service, unless such time limit is waived by such official. A statement as to the resigned employee's service performance and other pertinent information shall be forwarded to the Human Resources Director. Failure to give notice as required by this Rule may be cause for denying future employment by the City. Prior to receiving one's final paycheck, all City equipment shall be returned and the appropriate clearance form signed.

B. LAYOFF PROCEDURE

The City may, after such consultation with the Union as may be required by law, consider alternative actions in order to minimize layoffs. The appointing authority will identify those classifications which will be reduced which will minimize the impact on the continued effectiveness of that Department and will meet the necessary reduction in force requirements as determined by the City.

1. Definitions. These definitions shall apply for purposes of layoff, displacement and reemployment:

- a. **SENIORITY - CITY SERVICE.** The total continuous service in regular or probationary City employment including all positions held in the City work force.
- b. **SENIORITY - CLASSIFICATION LENGTH OF SERVICE.** The total period of time (does not need to be continuous) an employee has been in a particular classification as a regular or probationary employee.

- b. All regular City employees to be laid off will be given written notice from the Human Resources Department of the effective layoff date no less than fifteen (15) calendar days before the effective day of

the layoff. Such notice will be hand delivered or sent by certified mail.

- c. The written notice shall inform the employee of applicable displacement and priority reemployment rights.

3. Reduction in Force Once the classifications to be reduced have been identified:

- a. Temporary extra-help employees in the identified classifications shall be terminated.
- b. Temporary limited-term employees in the identified classifications shall be terminated.
- c. Employees serving an initial probationary period in the identified classification shall be terminated.

The Human Resources Director shall then determine the employee(s) to be laid off. Layoffs shall be in the following order:

- e. Regular employees who within the twenty-six (26) pay periods immediately prior to the effective date of layoff received an overall unsatisfactory job performance evaluation.

If an employee is laid off pursuant to Section B.3.d or B.3.e and believes the unsatisfactory performance evaluation or denial of merit increase is a pretext to lay off the employee, he/she may request an appeal hearing under the procedures set forth in Rule XIV of the Personnel Rules and Regulations.

- f. Regular employees with the least classification seniority.
- g. If there are two or more employees to be laid off who have identical classification seniority, the order of lay-off shall be by City Seniority. If such City Seniority is also identical, layoff shall be determined by drawing of lots.

4. Displacement Rights (Bumping)

- a. Regular employees who are designated to be laid off and have held regular status in a lower classification may demote into a

vacant position or may displace employees in the lower classification provided that the employee exercising the displacement privilege has greater City seniority than the incumbent in the classification to which the employee is bumping. If the employee designated to be laid off has not held regular status in a lower classification, then no displacement rights accrue to that individual.

- b. Employees being displaced shall be displaced in the same order as specified in Section 3 - Reduction in Force.

 - 2) The employee meets the minimum qualifications of the lower position, and
 - 3) The City Manager concurs with the proposed action.
- b. All employees who are demoted will be paid at the same rate of pay as prior to demotion, if, and only if, the rate of pay is within the range of the lower position. If this is not the case, the rate of pay shall be within the salary range of the lower position which is closest to the rate of pay prior to demotion.
- c. An employee must accept a demotion within five (5) working days after receipt of a notice of demotion, by written notice to the Human Resources Director. If acceptance is not exercised within the specified time period, an employee will automatically forfeit the ability to demote.

6. Transfers in lieu of Layoff

- a. An employee designated for layoff shall be transferred to a vacant authorized position with the same maximum salary grade/range if the following conditions are met:

- 1) The employee requests or otherwise agrees to the transfer,
 - 2) The employee meets the minimum qualifications of the position, and
 - 3) The City Manager concurs with the proposed action.
- b. Employees who are transferred will be paid at a rate of pay equal to the rate of pay prior to transfer.

7. Reemployment List For Demoted Employees

- a. Employees who are demoted in lieu of layoff shall have their names placed on a Reemployment List(s) for Demoted Employees. Employees shall have their name placed on lists for classifications at the same or lower salary grade/range in the same classification series as the classification held at the time of the demotion or any classification in which the employee held regular status. Vacant positions within a classification series shall be first offered to employees on these lists.
- b. Eligible employees will be placed on and selected off eligibility lists in the following order.
- 1) Employees with the greatest classification seniority. When the classification seniority is equal, the Human Resources Department shall notify all those on the reemployment list with equal seniority of the reemployment opportunity and they shall be interviewed and considered to fill the vacancy.
 - 2) Employees, notwithstanding their seniority, who within the twenty-six (26) pay periods immediately prior to the effective date of layoff received an overall unsatisfactory job performance evaluation.
 - 3) Employees, notwithstanding their seniority, who within twenty-six (26) pay periods immediately prior to the effective date of layoff had their merit increase withheld for reasons of unsatisfactory performance.

8. Reemployment List For Laid Off Employees

- a. Employees who are laid off and who held regular status at the time of layoff shall have their names placed on a Reemployment List for each classification in which they previously held regular status and for classifications at the same or lower salary grade/range for which they meet minimum qualifications. Vacant positions in such classifications will be offered to eligibles on the Reemployment List who qualify for such vacancies after employees on the Reemployment List for Demoted Employees and prior to an open or promotional recruitment for the vacancy.
- b. Eligible employees will be placed on and selected off the list in the following order:
 - 1) Employees with the greatest classification series seniority. When the classification series seniority is equal, the Human Resources Department shall notify all those on the reemployment list with equal seniority of the reemployment opportunity and they shall be interviewed and considered to fill the vacancy.
 - 2) Employees, notwithstanding their seniority, who within the twenty-six (26) pay periods immediately prior to the effective date of layoff, received an overall unsatisfactory job performance evaluation.

9. Duration of Reemployment Lists The eligibility of the individual on the Reemployment Lists shall extend for a period of two (2) years from the date of demotion or layoff. Eligibles not responding to written notification of an opening within five (5) working days of receipt of notification shall have their names removed from the Reemployment List. Eligibles who refuse an offer of reemployment to the same classification (or equal classification) which they held at the time of layoff shall have their names removed from the Reemployment List for that classification and all classifications at the same or lower salary grade/range.

Once a person on a reemployment list is reinstated to a regular position as a result of his or her reemployment rights, his or her name will be removed from the reemployment list for the classification to which he or she was reinstated and from all reemployment lists for classifications at

the same or lower salary range of the classification in which he or she was reinstated.

A list outlining the person's status on all reemployment lists shall be incorporated in the notice of the reemployment opportunity.

10. Restoration of Benefits Upon Reemployment Following a Reduction in Force. Upon reemployment following a reduction in force, an individual will have the following benefits restored:
 - a. Prior sick leave accruals minus the number of hours cashed out at time of layoff.
 - b. Classification Seniority at time of layoff for purposes of determining merit increases and future reduction in force. City Seniority at the time of layoff for purposes of determining Annual Leave accruals and future reduction in force.

11. Non-Discrimination in Reduction in Force Layoffs and demotions which result from a reduction in force shall be made without impermissible consideration being given to an employee's race, color, religious belief, national origin/ancestry, ethnicity, gender, marital status, sexual orientation, age, disability (physical or mental), medical condition or union membership or lack thereof.
12. Due Process Procedures

b. Post-Layoff Procedural Due Process

In addition to the procedures that may apply under Rule XVII, Section 2(c)(3) of the Personnel Rules and Regulations, if a regular employee as defined in section 1 above, believes the layoff is a pretext for discipline or in retaliation for protected activity, the employee shall have the right to request an appeal hearing under the procedures set forth in Rule XIV of the Personnel Rules and Regulations. The issue to be decided in the appeal hearing is limited to whether or not the layoff is a pretext for discipline or in retaliation for protected activity and not based upon grounds described by Rule II, Section 27 of the City's Personnel Rules and Regulations. The employee shall have the burden of proof on that issue.

C. REINSTATEMENT

With the approval of the appointing authority and the Human Resources Director, a regular or probationary employee who has resigned with a good record may be reinstated without examination to a vacant position of the same or comparable class previously held within two (2) years. This Side Letter of Agreement to the existing Memorandum of Understanding (January 1, 2016 – June 30, 2018) is entered into between the City of Ventura and the duly authorized representative of the "G" Unit of Service Employees International Union (SEIU), Local 721.

This Side Letter of Agreement will amend the current Memorandum of Understanding and its terms and conditions will be integrated, as written and agreed to, into the current Memorandum of Understanding.

SEIU and the City of Ventura agree to amend the current M.O.U. by adding C.4 to Article 14.3 – Standby Pay.

14.3 STANDBY PAY

- A. Unit members, except civilian members of the Police Department, who are required by their Department to be on standby for emergency work during normal off duty hours shall be paid \$30.00 per day for each 24 hour day they are on standby. On any day that the employee is not required to work, such as days off and holidays, the employee shall be paid standby for 24 hours for each 24 hours required to be on standby. Persons designated by the City to be on standby for less than a 24 hour period shall be paid pro-rata for the time designated as standby. Employees who refuse or fail to respond to calls while assigned to standby shall not receive standby pay for that shift and may be subject to discipline.
- B. The City agrees to provide, in accordance with City policy and procedure, laptops, pagers and/or cell phones to employees as deemed necessary by management for business use when required by their department to be on standby. It is further agreed that any employee called to respond while on standby shall do so within a 45-minute period. The intent is to allow a response time, in the case of emergency callouts, of 45 minutes from the individual's residence to their primary worksite.
- C. Civilian employees in the Police Department who are required by their Department to be on standby for a required court attendance for City business during off-duty hours shall, when they are not so called out, but required to be on standby, be compensated as follows:
 - 1. \$10.00 for an on-call court appearance order for those days reflected on the department duty schedule as "on-duty" days.

2. \$35.00 for those days specified as "off-duty" days reflected on the department duty schedule, including pre-scheduled holidays, compensatory time and Annual Leave time.
3. Employees who refuse or fail to respond to calls shall not receive standby pay for that shift.
4. An Evidence Technician, who is required by the Police Department to be on standby for emergency work during normal off duty hours, shall be subject to the provisions of section "A" above. If the Evidence Technician is on standby for a required court attendance for City business during off-duty hours, he/she will be subject to section "C, 1-3" above. If he/she is required to be on standby for both emergency work and required court attendance for City business during off-duty hours, he/she will be paid only at the higher standby rate.
