## What is the Ventura Police Activities League (PAL)?

The Ventura Police Activities League, better known as Ventura PAL, is a not-for-profit 501c3 charitable organization.

### Our Mission

- To promote involvement between the youth, the police, and the citizens of the City of Ventura by providing meaningful programs in the areas of sports, academics, education, and recreation enrichment
- To improve the conditions and relationships within the community of Ventura
- To promote scholastic opportunities
- To foster and encourage faith in American principles and traditions
- And to encourage the development of sportsmanship, friendship, citizenship, and good will within the youth of the City of Ventura.

### Everyone Benefits

When we provide our youth a chance for a better lifestyle, everyone benefits by:

- Reducing crime in our community
- Making communities safer
- Showing kids that Police Officers can be their friend and role model
- Providing alternatives to gangs, drugs, and "hanging out" on the streets
- Reaching out to kids with constructive activities that build discipline and self-esteem
- Developing future responsible leaders
- And it's good for business!

PAL programs create strong bonds between Police Officers and the communities they serve. The teamwork of Ventura PAL and the City of Ventura helps disadvantaged youth grow into productive citizens, and provides a positive and proactive approach to crime prevention.
