

## ***Why Hasn't My Child Been Called By His/Her VYBA Coach!!!??? . . .***

- VYBA coaches got their first look at **any** rosters this past Saturday, December 5 at 10:00am at the first of 2 Coaches Orientation meetings
- Coaches were asked to contact the players on their rosters to confirm what team they were on. Some will do this and some might not.
- Not all the coaches attended the first meeting on December 5<sup>th</sup> and we hope the rest will attend the next one on December 9<sup>th</sup>
- A coach might have tried to call their players but the phone number of a player might have changed, be the wrong number copied off the registration/tryout form, etc.
- There are still a couple of divisions where we need coaches (boys 4<sup>th</sup>/5<sup>th</sup> grade and boys 7<sup>th</sup>/8<sup>th</sup> grade). If you are a parent, or know of an adult who would like to coach, give us a call at the VYBA Hotline at 805-658-4705
- Quite a number of coaches and players will be starting their Christmas vacations and other holiday activities that might have them not available to play/practice a lot between now and the first game on January 2<sup>nd</sup>. This is the situation we have with a sport (basketball) that prepares during an inconvenient time for some.
- If your son or daughter has not been contacted by Monday, December 14, please call the VYBA hotline above and we will find out what the delay is. As mentioned above, the most likely situation will be that we are still working on contacting parents on your child's roster to see if anyone will step up and coach . . . sooooo . . . please let us know if **YOU** can?? ☺
