VENTURA ROOTS – VENTURA VALUES

I grew up in this city. I love this city. Both my children were born here and I believe decision makers should reflect the make up of the community. Voters need to put someone in office who will fight for the "shrinking middle class." As your voice at city hall, I will advocate for safe neighborhoods, quality libraries – including service for East Ventura, preservation of our precious hill sides, proper street maintenance, green jobs, and good recreational and educational opportunities for our young people. By working together, we can keep Ventura a special place to live, work and raise a family.
