

2014 City of Ventura Photography Contest

“The popular photo contest remains a great way for residents to express civic pride.”
— Community Partnerships Manager Denise Sindelar

Brittany McGinley: Top of the Crowne Plaza

More than 42 photographers submitted 260 photos to Ventura’s ninth annual online photo contest that celebrates our city through its stunning natural landscapes, unique architecture, diverse people and active community life. The public emailed 114 ballots to select the “People’s Choice” and a panel of five professional visual artists selected the “Judges’ Choice.” These first place choices, as well as runners up and the “MyVentura” editor’s picks on this panel make up the contest exhibit.
