

Become a limited edition donor

Only 75 ceramic master works are slated for installation on the "aisle of tile" donor wall. Leave your mark of support for WĀV in style.

Donate \$250 for a unique 12"X12" tile created by Ventura's versatile artists.

Each master tile carries the donor's name as well as the artist's signature.

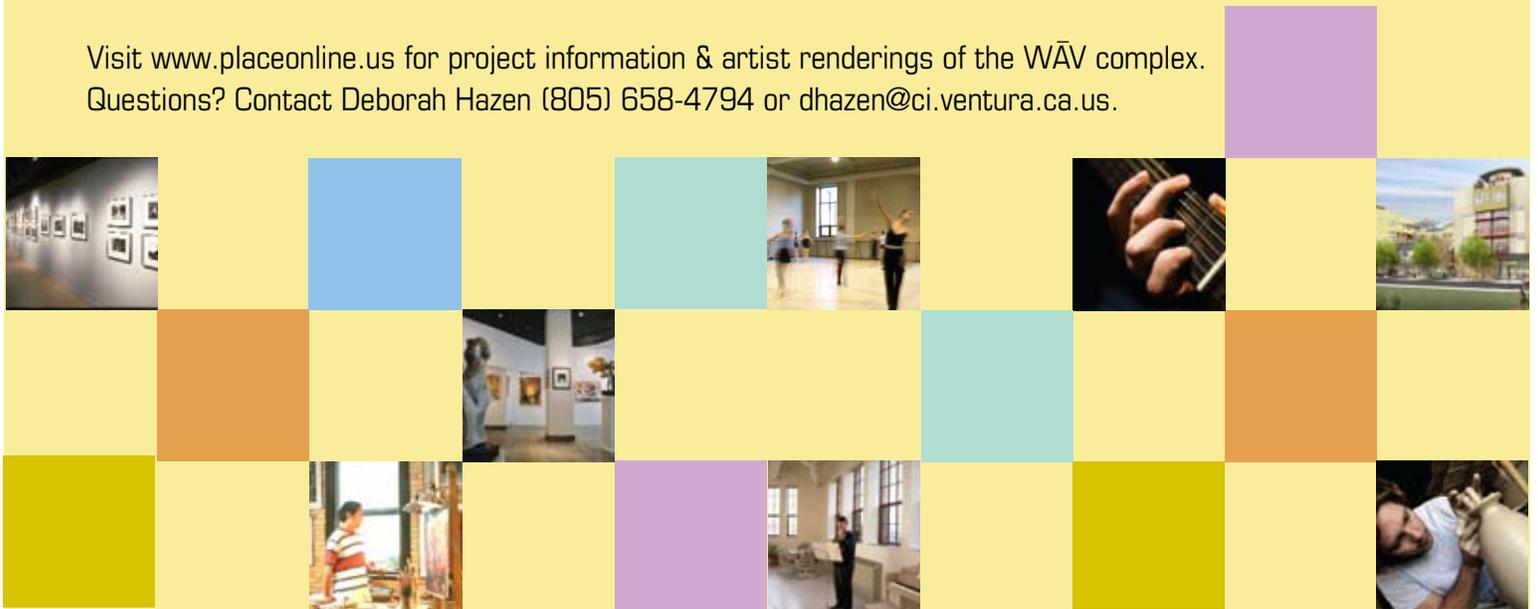

Donors receive special invitations to WĀV's opening celebration in late 2009.

WĀV – a partnership of the City of Ventura & nonprofit PLACE (Projects Linking Art, Community and Environment) – will offer affordable living & working space for over 100 artists in all media and a ground floor for arts-friendly retail businesses in Ventura's Downtown Cultural District.

WĀV will be Ventura's first LEED™ Certified affordable housing project.

Ceramic tiles have been generously donated for this project by Buena Tile company, located in Ventura, CA and at www.buenatile.com

Visit www.placeonline.us for project information & artist renderings of the WĀV complex. Questions? Contact Deborah Hazen (805) 658-4794 or dhazen@ci.ventura.ca.us.

YES! I wish to donate _____ artist-designed tiles @\$250 each to support WĀV!
